MORNING MEETING ACTION ITEM

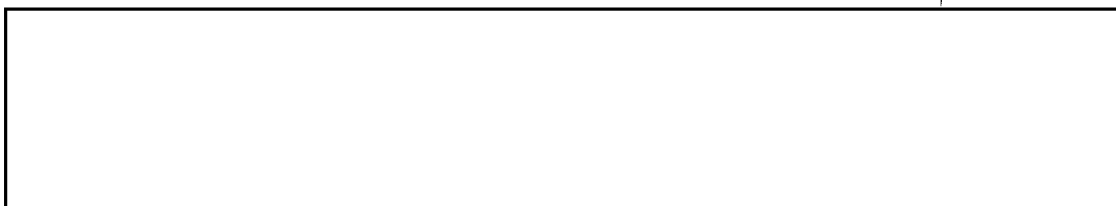

TO: D/OCI

Godfrey observed that a lengthy cable from General Abrams assessing the military situation proceeds on the premise that NVA units are not receiving replacements, whereas the fact of the matter is that our failure recently to detect southbound infiltrators does not necessarily mean that infiltration has ceased. Carver suggested and DDCI concurred that Godfrey might utilize a SAVA/OER memorandum on infiltration prepared yesterday as the basis for  in order to set the record straight on this matter.
